Lost in love

Lost in love, lost in love

Lost in love, lost in love

I am lost in love

Lost i am in love

Lost I am in love

Been searching for one to call mine

Searching for mine to call

...

I've found you now sad and cold

Left, abandoned, broken,

I look into your eyes and see your story

Cuts across your skin

Across your skin

I see through your eyes and see the broken glass

Your heart shattered ruined by all who touched it

...

But when we touch I look through your eyes again

It pieces back together but falls right back apart

....

If I had my way I'd switch hearts and wear yours to carry your burdens

Heal your heart let the shadows go

Let the shadows go, Shadows go

...

Lost in love, lost in love

Lost in love, lost in love

I am lost in love

Lost i am in love

Lost I am in love
