Mama

It's been a little over a year

And I've shed more than one tear

I know why

But it still comes to mind

That I'm the reason

It was a cold season

I miss you so

Even if it doesn't show

Everyday is weird

I still hold you dear

Mama

It's so cold

Mama

As much as I miss you

I've since had a new view

I've grown more mature

You kept me from that for sure

You kept me in a cage

But now I've turned the next page
